Through four years at Sanford High, we have seen many faces, telling many stories. Exultant, laughing, friendly, defeated, joking tearful—these faces make our memories live. *The Distaff's* theme this year is "Faces Tell a Story". We hope that these faces will tell a story to you as often as you leaf through these pages, that your memories of Sanford High may never fade.

In Appreciation of His Years of Service

On November 11, 1966, directly before the Sanford-Biddeford football game at Cobb Stadium a plaque was dedicated to Dr. Stephen A. Cobb in recognition of all he has done for Sanford High School. The inscription says in part:

"No man will ever give more
To the cause of . . .

The School Board Plans for a New School

MR. CARL E. BOWERS
Superintendent of the Sanford School Department

One of the most colorful aspects of the 1966-67 school year has been the advancement of the plans for a new high school. Many hours of hard work have been spent by the Sanford School Building Needs Study Committee, the members of which are Dr. Kenneth J. Kornetsky, Hobart Anderson, Gilles Auger, Carl Seibert, and Wilbrod Mailhot. It has been working in conjunction with the Sanford School Superintending Committee.

SCHOOL COMMITTEE AND SUPERINTENDENT
Left to right: Dr. Maurice Morin, Mr. Roland Gauthier, Mr. Carl Bowers, and Mr. George Willard

MR. JOHN R. PARKER

Principal

During the past two years, Mr. Parker has done an excellent job of taking over the administration of Sanford High School. His seemingly inexhaustible energy has enabled him to keep tabs on all school functions from sports to the school newspaper. Invaluable have been his concern and advice on problems connected with plans for a new high school building. His warm smile and excellent sense of humor have won him the admiration of the students and faculty alike.

This year we have three guidance counselors, including Mr. Robert Landry, who received his M.A. this last year at the University of Maine and his B.S. at Nasson. Their work covers three main areas: educational or college placement, vocational or work placement, and personal counseling to aid students in solving their problems. The department's most important job is in helping with the individual growth of the student and helping him meet his own needs.

The counselors give many tests for college and job placement, to discover the interests and apti-

tudes of the students. Some of these tests are compulsory, but others may be taken at the request of the students.

Each counselor follows a particular class all through high school, getting to know the students and their particular aspirations. Also, research is done on classes already graduated in order to learn what individuals are doing. In this way the Guidance Department hopes to help the present classes toward as high a degree of self-achievement as possible.

The English Department has instituted a new program this year, *Project Write*, which a selected group of Juniors began in their second semester and will continue through the first semester of their senior year. In this program, students will concentrate on improving their writing skills in creative and expository writing. Several schools throughout New England are participating in the project, under the direction of Professor Murray of the University of New Hampshire. Mrs. Moody and Mrs. Wilson will be teaching the classes involved in the program.

The English Department has welcomed four new members this year: Miss Frances Herman, who studied at Seton Hall University, Mercyhurst College, and the Catholic University of America; Mr. Harold Deshon, who studied at Gorham State College and the University of Maine; Mrs. Joan Haggard, who did undergraduate work at Union College and graduate work at Boston University and the University of Wisconsin; Mr. Paul Chenard, who studied at St. Francis Xavier College and the University of Maine.

Degree from Gordon College have joined the department. Mr. Charles Buckley, a student-teacher from Nasson, is assisting.

For the benefit of many mathematics students, Mr. Webb, the head of the department, has held a slide-rule class after school.

Many new books have been ordered for the use of the department.

The Language Department, headed by Mr. Dapas, this year is introducing a method of French instruction new to Sanford High School. Students are being taught in a natural sequence of learning, rather than by the traditional method, in which reading and writing is emphasized. There are four basic steps involved in the learning of a language, the same steps, in the same order, that a person follows in learning his native tongue. The student begins by listening, and progresses at his own speed through speaking, reading and writing. The learning process is facilitated by the use of the language laboratory, records, and a great variety of books which may be borrowed by the student to supplement his class work.

This year Mrs. Brock, who was a Latin major at Bates College, has replaced Mr. Wilson in the teaching of Latin. Mrs. Brock has been a member of our English Department for several years, and has added Latin to her duties. Two years of Latin are now available to interested students.

As the Science Department grows, it has added new faculty members to teach new courses. Among the new science teachers at Sanford High School is Mr. Rodney Shain, B.S., M.Ed., who is teaching freshman health classes. Mr. Shain is also in his second year as our varsity basketball coach. Mr. Cochin, B.A., who has studied at Nasson College, Iowa State University, Florida State University, and Gorham State College, is replacing Mr. Hammond in the teaching of Physics and Physical Science. Mr. John Simpson, B.A., is filling a new position in the Science Department, teaching Physical Science, General Chemistry, General Science, and College Biology. Mr. Simpson received the Bachelor of Arts degree from the University of Maine.

At present, the department offers popular courses in General Science, Health, Physical Science, Earth Science, Biology, Chemistry, Physics, and Pre-nursing Science. So many students are enrolled in science courses that the physical plant of the department is strained beyond capacity. It is hoped that, in the near future, a new high school will provide enlarged laboratory facilities in keeping with modern concepts in education.

Several of our American history classes this year are using a new textbook, *The Adventure of the American People* in line with the Social Studies Department's policy of keeping up to date, the book covers history up to the 1964 Presidential election. Such current magazines as *Time, Newsweek,* the *U. S. News and World Report* and *Current History* are used in many classes.

Audio-visual aids in frequent use are the *New York Times* film strips and appropriate historical films.

New to the department this year is Mr. Harold Deshon, who is a graduate of Gorham State College and has a master's degree from the University of Maine. Mr. Deshon is also teaching one course in English.

Business Department Builds Basic

In order to prepare students for the business world the department tries to assist the student to find his needs and abilities and then to develop them accordingly; to stress neatness in work and dress; to stress punctuality; to help a student develop a pleasing personality and to encourage him to organize his work, follow directions, and finish a problem; to stress accuracy of work, and the idea of checking solutions from a common sense point of view. These objectives are accomplished through the use of textbooks, workbooks, and a planned testing program, par-

ticipation in actual work experiences, the use of charts, speakers, and classroom discussion.

The F.B.L.A., a business organization for Juniors and Seniors has an active chapter at Sanford High School. It teaches the students that leadership, character, and efficiency are important facts in the world of business. It helps guide the students, trying to impress on them the responsibilities of being on their own after graduation. They participate in as many field trips as possible, and sponsor social and service projects.

The Business Department has many of its students employed on part-time jobs, which help them to learn responsibility and earn some money at the same time. In the near future, the department will become a branch of the Vocational Department.

Home Economics Develops Homemaking Skills

"Home Ec," as it is popularly called, is taken by freshmen as a part of any course, or by seniors as a senior special for which the course is stepped up. For other girls, the course may be a four-year one.

In Homemaking, the girls cover all phases of home life. They learn how to sew, and are taught the different types of stitches, and a great deal about materials. They learn how to cook and prepare food, and, most important, how to plan a well-balanced meal. They also study the problems connected with homelife and a family, child care, home nursing, and management.

The girls are given a basic course in all of these areas by Miss Waterhouse and Mrs. Morgan, and are then shown in laboratory classes how the subjects can be used in everyday life. Many people don't realize that the girls also refinish furniture, and make and repair toys to give needy families.

Movies help show the girls how some of their tasks should be performed. Once in a while, students in this course get together and enjoy themselves at a party.

This year we have two new instructors in the Physical Education Department. Mr. James Dunn and Mr. Richard Farnsworth, Jr. were both welcome additions to the boys' division.

Miss Arlene Jackson and Mrs. Deborah Mathews continue to be popular instructors in the girls' division.

Although we are overcrowded at Sanford High, we can each have as much individual attention as necessary in our three-day a week course. We have a program in track and field, field hockey, badminton, volleyball, gymnastics, basketball, dancing, and wrestling. Gym classes have been very popular this year when we have had co-ed classes. Each year in the fall and spring, we take a Physical Fitness Test sponsored by the President's Council on Physical Fitness. Most of us perform very well because of our excellent program at Sanford High.

The Physical Education Department also sponsors the following intramural sports: bowling, horseback riding, basketball, and volleyball. The boys have participated in an annual gymnastics contest where they have done very well.

Music Department Takes On New Life

Mr. Angelo Tsika is our new band director this year. He formerly taught at Millinocket High School for twenty-four years, and more recently at Bonny Eagle. He has initiated many new activities for the band to participate in—among which have been a school dance band and a Glee Club-Band combined Christmas concert in the park. Besides playing at assemblies, football, and basketball games, the band has continued its exchange with another school and the Pop Concert.

This year the Glee Club of ninety-eight members did a very professional job in producing "Annie Get Your Gun," by Irving Berlin. Mrs. Agnes Tibbets is the director of this group and Miss Louise Mallinson, the accompanist. The Glee Club has won many honors for its performances in concerts and festivals, and has had many invitations to sing for civic organizations throughout the year.

Another important function of the Music Department is the course Mrs. Tibbets gives in music appreciation. Composers, their compositions, and folk music are included in the program.

Art Students Gain Recognition

In three art contests this past year, Karen Hayes, one of our art students, has won recognition. One was a hundred dollar award for a picture exhibited in the Portland Sidewalk Art Exhibit. Other students have also won awards.

The friendly informal atmosphere of our art room allows those of us with a desire to create, an opportunity to find a means of personal expression. We can dabble in ceramics, water-colors, pen and ink, pencil sketching, and charcoal and pastels. This year Miss Harrison, our instructor, has added a special feature to our curriculum; she has shown us filmstrips on "Art Through the Ages." This has helped us to develop our own tastes and styles.

The Art Students are frequently called upon to make decorations and scenery for dances, balls, proms, the operetta, the Dramatic Club and other special events.

Many students take basic technical drawing, where they learn to draw machine parts and experiment with house planning.

A Doctor In The House

Sanford High is fortunate to have Dr. Vachon as school doctor this year. In cooperation with our school nurses, Mrs. Drown and Mrs. Hanson, the doctor has administered the T.B. tine tests to students desiring to be checked. During the fall term, as in previous years, physicals were given to freshmen and all new students.

Mrs. Hanson is always there in room 207—otherwise known as the Health Unit—to help any student or teacher who has incurred a minor injury, or who is otherwise indisposed. It's always nice to know that such is the case.

The Faces of Our Class Leaders

Sherry Kimball, secretary; Nicholas Scaccia, vice president; Daniel Sullivan, president; and Eileen Stokes, treasurer.

"Time driveth onward fast"—faster than we would ever have thought possible just a few years ago. As freshmen we were timid and shy and looked up to the seniors with awe. In a way we were envious of them—they were almost out of school! Now we are the ones to look forward to leaving but with a trace of sadness, thinking of all the wonderful times we've shared during four years of laughter and tears.

The Sanford High School girls' teams have been at the top all this last year of our high school career, thanks to the experienced coaching of Miss Arlene Jackson. In field hockey, the girls reigned undefeated, and in basketball, the girls lost only one game. It's a shame so many people regard girls' sports as being of little importance. These girls deserve our recognition.

Our boys came out second during football season, playing the best games of our four years. As of this writing, our basketball team is headed for the State Championship—the first time in Sanford's history.

The operettas during our four years have steadily grown better although most of us felt that there was little room for improvement. Last year's "Sound of Music" was exceptional thanks to the hard work of the Glee Club, Mrs. Tibbetts, and senior Rhoda Butler.

Our Junior Prom, entitled "Grecian Gardens", was very different and beautiful. The gym became a playground for the Grecian gods pictured on murals, adorning the walls, Trees, flowers, and fountains gave just the right touch to charm all viewers.

We, the Seniors of '67, wish the underclassmen to remember our faces and profit by our mistakes.

JUNIOR CLASS ADVISORS—
Mr. Webb and Mrs. Wilson.

This year the Junior Class has done a great deal in all school activities, both curricular and extra-curricular.

As far as sports are concerned, we are really on the move. John Folsom made the All State Football Squad for Class A schools. Richard Faulkner, Dennis Abbott, and Maurice Shepard were also hard playing members of the regular team. Jay Couser made a fine showing on the first team in basketball. Among the cheerleaders from the class were Suzanne Morin, Sandra Fournier, and Diane Cloutier. Marsha Vigue has represented the class with the majorettes.

We have a very energetic group leading our class activities: The president is Jay Couser; the vice president, Sharon Larando; the secretary, Diane Cloutier; and the treasurer, Ann Chasse.

Jane Normandeau, Treasurer; William Dionne, President; Linda Day, Secretary; and Wayne Davis, Vice President

SOPHOMORE CLASS ADVISORS—
Mrs. Knightly and Mr. Rollins

There has been a remarkable change in Sophomore class members over the last year. No longer the youngest ones in the school, they have gained in confidence and school spirit. They now feel capable of handling new activities and want to show that they're as good as the upperclassmen.

Something new which the Sophomore Class has done this year is the petitioning for class officers instead of nominating as in years past. A certain number of signatures were necessary before the candidate could be on the ticket. The new class officers for this year are William Dionne, President; Wayne Davis, Vice-President; Linda Day, Secretary; and Janie Normandeau, Treasurer.

The Sophomore girls helping to lead the student body in cheering at football games were Marguerite Pepin and Celina Camire. Also prominent at the games and in leading the band were Gail Hall and Lynn Hartley, Sophomore majorettes.

The new members helping in the governing of the school through the Student Council are Ann Merrifield and Dennis Levasseur.

Gordon Waterman Elected Leader of Freshman Class

Patricia McHugh, Secretary; Gordon Waterman, President; William Wood, Vice President; and Patricia Bratt, Treasurer.

FRESHMAN CLASS ADVISORS—
Mr. Goodness and Mrs. Weiss

Although the Freshmen have had much to adjust to during their first year at Sanford High, they have become a prominent part of the student body. No longer the "top brass" as they were in Junior High, they became the servants of the Seniors for a while. But most took it with a smile, proving what good sports they are!

At the beginning of the year, the freshmen did a vigorous campaigning and signing for their favorite candidate. The results of their efforts were as follows: Gordon Waterman, President; William Wood, Vice-President; Patricia McHugh, Secretary; and Patricia Bratt, Treasurer.

A special election was held at the beginning of the freshman year to select the two new members for the Student Council. For the first time in a long while, there were three ties for both the girl's and the boy's place. The results of the re-vote gave Sheila Krause and Daniel MacGregor the honors.

Jan Chadbourne and Sheila Krause are the two new members of the majorettes who help to lead the band.

THE KING AND QUEEN—
Mike Smith and Rachel Gooding

The Student Council has done much to give the students of Sanford High self government. One of their major projects this year was to compile a Student-Dress Code.

Two two-hundred and fifty dollar scholarships were awarded to graduating Seniors by the Council this year. The members raised this money by sponsoring the Carnival Ball and other fund raising events, one of which was the first record hop of the season. "Norwegian Wood", the theme of the Ball, transformed the gym into a snow covered field with pine trees adorning the murals on the sides of the gym, and a sparkling ice palace in the middle of the floor. The King and Queen of this winter wonderland were Michael Smith and Rachel Gooding.

The members of the council were led by Thomas Abbott, President; Rachel Gooding, Secretary; and Janet Griffin, Treasurer. Class Advisor is Mrs. Merrifield.

Debaters Win State Wide Recognition

DEBATING MEMBERS, *alphabetically:* Jane Blood, Peter Bosse, Carol Chalker, Patrice Hardy, Bonnie Kellman, Susan Michaels, Edward Maurais, Bob Smith, Michael Stevens, Carol Sylvain, Frank Wood, William Wood.

Not so long ago Sanford High did not even have a Debating Club. Today we are all quite proud of the work done by this group. Whenever the debaters are in competition, they bring honors home with them. These are both their own and their school's.

Within the club there are two groups: Varsity and Novice. Members of the first team are more experienced in debating than the novices. The two groups did exceptionally well in debate tournaments at the University of Maine, New Hampshire, and Bowdoin College.

During the year, Bates College sponsored a discussion tournament and Boston College, a workshop. Members attended both of these.

Sometime this year you may have been wandering around on the top floor after school, and seen unfamiliar students talking to a small group. If you had been sitting in with that group, you probably would have heard some of the pros and cons of this year's topic: "Resolved: that foreign aid should be limited to non-military assistance." All this is done under the guidance of Mrs. Ives and Mr. Heald. Without them we would be back where the whole thing started—no Debate Club!

Boys' and Girls' State — Great Honor

Boy's and Girl's State Delegates: *Left to right:* Nancy Sample, Stephen Hanscom, Eileen Stokes, and Kenneth Allen.

Last year five juniors were chosen to attend Girls' and Boys' State. The girls spent six days at Colby College; and the boys, six days at the University of Maine.

The purpose of having these meetings is to learn more about the state and county governments. A mock legislature is chosen and actually goes through the same business that the real legislature does. Prior to this, active campaigns for office go on. One of the most important jobs is that of mayor. It is he usually, who goes on to Washington for a mock national legislature.

All those who went came home not only with a better understanding of how the government functions, but also with an opportunity to take an active part in it.

The Sanford High Band is improving all the time under the guidance of Mr. Angelo Tsika. The members certainly miss Mr. Firth, but Mr. Tsika has proved capable of taking his place.

Under the supervision of Mr. Fred Gowen, the band and majorettes entertained fans with intricate formations at both home and away games. They proved that Sanford High School has tremendous school spirit by performing at basketball games. It has been hinted that they had much to do with the team's advancement in the tournaments. They also participated in the Dr. Ross parade, Veteran's Day Parade, and the Christmas pageant.

The students labored faithfully all winter for a busy spring schedule, which included an exchange concert with Waltham, Mass., and the annual Pop Concert.

The majorettes had a very successful season this year. They sponsored a fudge sale and a very successful dance to raise money for their new uniforms.

F.B.L.A. Trains Career-Minded Students

Left to right: Karen Staples, Carol Morin, Anita Martin, Barbara Horn, and Mrs. Roberts

The Sanford Chapter of the Future Business Leaders of America is made up of Junior and Senior students. Aided by the other teachers of the Business Department, Mrs. Barbara Roberts has been of invaluable help as F.B.L.A. advisor.

The group has had the following excellent officers: president, Carol Morin; vice-president, Cheryl Blanchard; secretary, Karen Staples; treasurer, Nancy Sargent; historian, Anita Martin; and reporter, Barbara Horn.

The girls have participated in many different projects and have done very well financially. Some of their profits have been set aside for service projects such as Thanksgiving and Christmas baskets, given to needy families.

Members listed alphabetically are as follows: SENIORS; Gayle Abbott, Pauline Bragg, Sandra Brown, Jo-Ann Burgess, Sylvia Chevalier, Brenda Dyer, Linda Dyer, Barbara Floyd, Cathy Fougere, Geraldine Gregoire, Barbara Horn, Sherry Kimball, Mary Ann Lizotte, Anita Martin, Carol Morin, Doreen Morin, Donna Plummer, Irene Rivard, Anita Roux, Rita Roux, Nancy Sargent, Karen Staples, Pamela Stoy, Sharon Thibodeau, Gail Thompson, Karen Thompson, Helen Turner, Sharon Tyler, and Ruth Waterhouse.

Under the guidance of Mr. Thomas Milligan, the Hi-Y advisor, and the leadership of President Mike Smith, Vice-President Ron Currier, Secretary Dan Sullivan, Treasurer Paul Kordalski, Chaplain Larry Michaud, and Sergeant-at-Arms Art Allaire, the Hi-Y has had a very active and exciting year.

In November several members attended the Older Boy's Conference in Lewiston. In February the boys went to Brunswick to prepare for the United Nations assembly, in which they represented the country of Haiti at the University of Maine in April. Many meetings were spent in a study of this little country. Also in the spring, a number of members attended the State Hi-Y conference where they competed for the State Hi-Y Basketball Tournament title.

During the school year and after several home basketball games, the Hi-Y has held several successful dances at the Y.M.C.A. and at the American Legion Home.

At the close of their year, they donated all the money in their treasury to the needy families of our town.

The Sanford Tri-Hi-Y is a large and very useful organization. Along with fun activities the club carries out many service projects such as sending two worthy children to the Y.M.C.A. Day Camp and donating one hundred dollars to World Service.

During the course of the year, they have had many interesting speakers at their meetings. Among them were Mrs. Cling who spoke on the College of the Seven Seas, and Joe Mandato who spoke about his experiences as an exchange student in Poland.

Sanford had thirty-six girls attend the Older Girls' Conference in Portland. There they experimented with the idea of using some form of art to express their feelings.

Several other girls attended the Model United Nations in Orono. These girls spent a lot of time preparing for this through training sessions at Bowdoin College and long hours of study at home to acquaint themselves with the country they represented.

Thus the girls have lived up to their purpose —"To maintain and extend throughout the home, school and community high standards of Christian character."

Sanford High has, as usual, a superior chess club with the addition of several underclassmen to bolster an up-and-coming group this year. There is evidence of resuming on a small scale, interschool tournaments, in which Sanford has been successful in the past.

Under the direction of Mr. Schultz, the memers have regular interclub games held each activity period. Because chess demands tremendous concentration and patience, the students must always be on their toes, ready to outwit their opponent. Since these inter-club meets are basis for a chess tournament, each person strives to do his very best. At the end of the season, the member who has won the most games receives a chess medal presented by Mr. Schultz.

The group put on a successful exposition at Eastern States Fair to raise money for F.F.A. jackets.

Library Aids Perform Many Duties

New this year at the librarian's desk is Mrs. Evelyn Rowe, formerly the librarian at Thornton Academy.

Over a dozen student assistants have been working in the school library during their free periods. Among the duties of the library aides are the preparation of new books for student use, typing catalogue and book cards, keeping the books in order on the shelves, preparing periodicals for use, and checking books in and out at the desk. With the library facilities as crowded as they are, the student assistants perform a necessary and valuable service by their gift of time and labor.

Mrs. Rowe supervises the work of the library aides. She replaced Miss Folsom, who retired last spring after years of work as the S.H.S. librarian and head of the English Department.

Mrs. Elizabeth Johnson, who has been part-time librarian at Sanford High for five years, maintains the services of the branch library. The Louis B. Goodall Memorial Library opens the branch library twice weekly to provide an additional supply of various types of books, available to interested students.

Key Club Contributes to the Community

OFFICERS AND SENIOR MEMBERS

During the Christmas season Santa Claus Driscoll and his Key Club elves gave a party for children at St. Charles Orphanage in Rochester. The party was a great success and the children will remember it for many years to come. The Key Club performs many such services for young and old. It donates money to Care, the United Fund, the Salvation Army, and a Korean orphanage. The club also sponsors three scholarships.

Much hard work goes into earning the money for these projects. Some of the money raising projects are dances, fall and spring Battles of the Bands, and the sale of sports cushions.

The Key Club has sponsored several Dress-up days, an anti-dropout campaign, and a reading campaign. Posters, slogans, and book marks have promoted the anti-dropout and reading campaigns. The club sponsored a parent-teachers and a Kiwanis night.

Several parties, hayrides, and other socials have highlighted the lighter side of life for Key Club members. In the spring several attended the New England Convention. Numerous lectures, talent shows, and award assemblies marked this meeting.

With the devoted service of Mr. Bruce Carlson as advisor, the Key Club was headed this year by: Kenneth Allen, President; Neal Davis, Vice-President; Bruce Lowe, Secretary; Jerry McCann, Treasurer. Behind these able leaders the Key Club has achieved much for the school and community.

A Good Football Season Starts

Sanford High had one of its finest seasons in many years, finishing second in Class A with five wins and one loss in class, and six wins, three losses overall. The team had one of the finest offensive attacks in the state, led by stellar quarterback Mike Smith and ace halfback Dan Sullivan, and a defensive unit capable of backing up the gains made by the offense. Coach Caramahalis, assisted by Mr. Dunn and Mr. Shain, capably guided the boys to a victorious year through a slate of tough opposition.

The last game of the year, against Biddeford, was played at home to a capacity plus crowd. The game was for Class A title. Both team were previously undefeated in class play. The first half was a thrilling display of competition between two well-balanced, evenly matched teams. In the second half, with our team's momentum stolen, Biddeford took over and won, 33-7.

One of the most exciting games this season was at South Portland, where Sanford pulled out in a come-from-behind victory. Trailing 14 to 6 at the half, Smith hit Dan Sullivan and Art Allaire for two needed T.D. passes in the last two quarters, to grab a last minute 20 to 14 triumph.

Eleven members of the outstanding Redskin tribe received recognition for their skillful team play. John Folsom, Rod Lavigne, Mike Smith and Dan Sullivan were Class A All-State choices, while Art Allaire, Dick Faulkner, Mike Giroux, Beau Sullivan, Dave Walker and Larry Young received honorable mention. The State of Maine has thus appropriately recognized the Sanford Football team as one of the finest in the State.

This year's freshman football team had the largest turnout of recent seasons. About fifty boys trained hard under the guidance of Mr. Chenard and Mr. Farnsworth. The team started off rather slowly but finished well by beating Biddeford's freshmen team by a score of 13-6. The sparkling plays of John Demers and Gordon Waterman did much to add to the team's success. The team was hurt when its starting fullback broke his leg on the opening kickoff of the starting game. Every boy got his chance to play in each game and by so doing gained valuable experience that will greatly help Sanford's future varsity teams.

Sanford Takes Western Maine "LL" Championship

Seated: left to right: Dan Sullivan, Bob Guinard, Dave Pineo, Nick Scaccia, Captain; Norm Belanger, Paul Kordalski, and Mike Smith. *Standing:* Larry Michaud, manager; Tom Milligan, manager; Beau Sullivan, Bill Roberge, Jay Couser, Dennis Levasseur, Dave Alexander, and Coach Rod Shain

This year Sanford High produced the finest Redskin hoop squad in the history of the sport. We can boast a 17-5 win-loss record, placing us second in Class LL pre-tourney standings, giving us a Vinall Trophy winner, and allowing us to claim the Western LL championship.

The deciding factor in the development of the team as the best in the state was, without doubt, Mr. Shain, our great coach. In two very short years, he has brought the team to the very top.

In the first tourney game, we easily defeated Traip, 81-63. The Rangers, who had been our victims twice previously in regular season action, couldn't contain big center Nick Scaccia, who set a tourney and Expo scoring record, for a single game of forty-two points.

In the semi-finals, we met our rival, Biddeford, with whom we shared a seasonal 1-1 split. The battling Redskins resolved that toss up in their finest game ever played, stopping the Tigers cold with a 93-76 score. Star guard Norm Belanger and surprise scorer Dennis Levasseur played an important supplementing role to Nick in this game.

In the finals we met dangerous number one Portland, whom we had twice defeated in thrilling games. With a real team effort, the trailing Redskins caught the Bulldogs and passed them to wrap up the tourney with a 66-63 victory. Captain Nick Scaccia, who accumulated a tourney total of ninety-eight points, was awarded the Vinall Trophy for the best player-sportsman of the tourney.

The boys this year welcomed a new coach, Mr. Fred Gowen, who assisted them to a winning season while preparing them for future varsity teams.

During this season our boys proved to us just how much determination, team work, and effort are necessary to make a good team.

Beau Sullivan, Bill Roberge, and Dennis Levasseur led the team and also made valuable reserves for the varsity squad. Dennis Levasseur proved to be of invaluable assistance to the varsity team during the tournament games.

Coached by Mr. Robert Blouin, the Sanford High School Freshman Basketball team had a good season this year. Although the boys weren't successful in every game, they gained invaluable experience, which should be of considerable value to them on future Junior Varsity and Varsity teams.

The boys featured good balance and exhibited noticeable improvement by the end of the season. Many of the team's reserves contributed to the scores, gaining considerable playing experience and adding to their school's accomplishments.

Track Team Places High in York County Meet

The 1966 track team had an excellent season under Mr. Vincent Trincia and Mr. James Farnsworth, losing only one dual meet. Although we didn't win at the York County or Southwestern Maine meet, we placed well with several individuals giving fine performances. Glen Ackeroyd, captain of the team, won the 440 and 880 yard dashes at the State Track Meet. Glen received fine support from Brian Thayer, Paul Ricard, Clayton Thurston and numerous underclassmen.

Glen Ackeroyd was chosen most valuable man and was awarded a trophy at the sports banquet held at the school cafeteria.

Ernest Shufelt goes on to win second place in the Maine State Wrestling Meet.

Sanford did it again—became the New England Wrestling Champs at the Cranston, Rhode Island meet February 18th. Wes Leighton, Mark Treadwell, and Rod Lavigne took second places, and Les Leighton placed third to bring Sanford to victory once again.

Earlier Sanford added another title to its already outstanding history with its seventh consecutive State Class A Championship. The Sanford wrestlers simply outclassed the other teams, beating their closest challenger, Rumford, by twenty-five points. The team's overall record was seven wins and three losses. Competing with Sanford were Rumford, Biddeford, Winslow, Skowhegan, as well as many outstanding out-of-state schools.

The Leighton brothers, Wes and Les, and Rod Lavigne captured State Championships, with Steve Hartley, Peter Leon, Ron Monroe, Mark Treadwell, and Ernie Shufelt taking seconds. Co-captain Dan Downs placed third, while Mike Pickles took a fourth place.

Sanford High is mighty proud of this fine group of athletes coached by Mr. Roland Gagne and Mr. Richard Sparkowich.

This year our baseball team had a fine record with 9 wins and 7 losses. Although the baseball team didn't win the title for the Telegram League, they worked hard for retiring coach Joe Nunan. Because of their losses early in the season, they were eliminated from their play-off berth in the first half pennant race. In the second half, the Sanford club put up a great challenge for the title. It was only after a one-run, sixteen inning decision that we dropped from the lead.

Co-captain Steve Morin was the Telegram League batting champion. Both co-captains, Steve Morin and Dave Kordalski, were outstanding on the predominantly underclassman team.

We have an excellent nucleus for an outstanding team in 1967. Steady playing Dan Sullivan, Mike Smith, Nick Scaccia and outstanding pitcher Larry Young will represent the Seniors. John Folsom and Dave Alexander are good Junior support.

Left to right: Bruce Faye, Barry Howgate, Ronald Roy, Stephen Hanscom, John McLeod, and Mike Bourque.

The 1966 Golf Team finished second in the York County League with ten wins and two losses. Mike Bourque, who won the most valuable player award, led the way with valuable assistance from Brian Thayer, Barry Howgate, Steve Hanscom, and Ron Roy. Bourque, Thayer, and Howgate also competed in the State Schoolboy Golf Championship qualify round at the Portland Country Club. John McLeod and Bruce Faye were also on the squad. Barry Howgate, Mike Bourque, Steve Hanscom, Ron Roy, John McLeod, and Bruce Faye, are returning for the 1967 season.

All these golfers, having gained much experience, should give us an even better season this spring.

VARSITY—*First row left to right:* Sue Mathieu, Helen Topping, Judy Garnsey, Nancy Crockett and Janet Garnsey. *Second row:* Bekki Booker, Rita Roux, and Linda Vermette. *Third row:* Eileen Stokes, Anita Roux, Captain, and Sharon Larando

For the first time in five years, the girls' field hockey team had an undefeated season. The squad, coached by Miss Jackson, played eight games and was scored against only five times. The senior class formed the core of experience of the team, with Eileen Stokes, Janet Griffin, Bekki, Booker, Rita Roux, Anita Roux, Linda Vermette, Sue Mathieu, Judi Garnsey, and Gretchen Rowe contributing fine performances to the offensive and defensive aspects of the game.

Nine girls on this year's team won positions on the Southwestern Maine All-Star Team, six on the first team, and three on the reserves. The Southwestern All-Star Team, coached by Miss Jackson and captained by Anita Roux, played the Central All-Star Team in November and defeated them by a 3-1 score. The reserves fought to a standoff score of 1-1.

The undefeated Girls Junior Varsity Field Hockey team fought hard for their very rewarding season. They won their first game by defeating Kennebunk with the highest score of the year, 7-2. On their game with Deering High, they were tied 1-1. Then they won a triumphant victory over Wells High with the score 2-0 in the first game and 6-1 in their second game. In the following game with Scarborough, the team again won with the score 3-1. The next three consecutive games were ties. It was 2-2 with Cape Elizabeth, Thornton 1-1 and Bonney Eagle 2-2. Congratulations to Captain Sarah Westcott and the whole field hockey team for their undefeated season.

JUNIOR VARSITY—*Seated:* Ann Chasse and Linda Doyle. *First row left to right:* Robin Arseneault, Debbie Randall, Gretchen Rowe, Judy Giroux, and Pat McHugh. *Second row:* Ann Waterman, Theresa Buck, Jane Landry, Nicki Dias, and Sarah Reeks.

Girls' Varsity Basketball Team — One of Our Best

Seated: Anita Roux and Rita Roux, co-captains. *Standing: left to right:* Sue Abbott, manager; Nancy Crockett, Bekki Booker, Lorraine Roux, Dotty Hartley, Gretchen Rowe, Linda Vermette, Pat Martin, Judi Garnsey, and Pauline Porrell, manager.

The girls' varsity basketball season wound up a great year with an impressive record of thirteen wins and one loss. Sanford lost one game to York but defeated them the second time around.

Co-captains Anita Roux and Rita Roux with strong assistance from Judy Garnsey and Gretchen Rowe led the team through an exciting season. Dottie Hartley was an outstanding guard with six feet of defensive ability, along with Nancy Crockett, a Junior, who helped the team greatly.

Girls J.V. Basketball Team Provides Excitement

Clockwise: Pauline Porrell, manager; Shelia Krause, Joan Allen, Elaine Berthiaume, Kathy Monahan, Pat Bratt, Judy Giroux, Sue Abbott, manager; Jane Chadborne, Ann Waterman, Linda Doyle, and Robin Arsenault. *Center:* Pat Frederick, captain.

The Girls' J.V. basketball team, coached by Miss Arlene Jackson, showed great promise with a record of six wins and six losses.

Captain Pat Frederick did much in teaching the players the importance of teamwork. The top scorers were Janet Garnsey and Sheila Krause with strong defense from Judy Giroux and Pat Frederick.

Tennis Team Gains Needed Experience

Kneeling: Nancy Crockett and Nicki Dias.
Standing left to right: Sharon Larando, Helen Topping, Rita Roux, Jane Landry, Anita Roux, and Pat Martin.

This is the second year that the tennis team has been in existence at Sanford High School. Under Miss Arlene Jackson's coaching, we ended the season with three wins and five losses. Although our record in tennis is not as good as some other sports records, we know that the team has improved greatly. We are sure that within a few years the girls' tennis team record will equal the field hockey and basketball records. Sue Dias, captain of the team, led the way with Anita Roux, Rita Roux, and Donna Kostis as outstanding team members. These players received tremendous support from Nicki Dias, Nancy Crockett, Helen Topping, Sharon Lorando, Pat Martin, Janet Griffin, Carol Hazlett, and Elizabeth Couser.

We can look upon our tennis team as a credit to the school.
